PRINCESS CHARLOTTE BAY

the quintessential far north queensland experience

The Remote Barra Expedition is tailored to the angler with a taste for adventure and times in with the annual wet season run-off between February and April. Groups of up to six guests depart Cairns or Port Douglas by helicopter for a magnificent 2 hour low level flight along the eastern coast line then up Cape York peninsula to Princess Charlotte Bay. Upon arrival you will rendezvous with Blue Martini in the picturesque and extremely remote Princess Charlotte Bay and then spend the next six days fishing aboard our 20' Centre Consoles with our world class guiding team.

Princess Charlotte Bay is one of the most spectacular, untouched wilderness destinations in the world. The landscape comprises a wide open bay which is linked to a series of mangrove-lined estuaries and rivers. It is home to a huge variety of marine life including dolphins, turtles, sharks and saltwater crocodiles as well as a huge number of bird species. The stunning scenery of Lakefield National Park provides a rugged backdrop where the simple rising & the setting of the sun becomes a breathtaking show.

"A SILVER FLASH ~ THEN THE WATER EXPLODED"

BIG BARRA TERRITORY

where the wild fishing is...

These remote estuaries, bays and water ways are the ideal hunting grounds for big barra and they hold a lot of meter plus trophy fish. Our custom outfitted 20' centre consoles are skippered by extremely experienced guides that know this area very well.

Princess Charlotte Bay also has some fantastic bluewater fishing, with a prolific population of pelagics and reef fish including Giant Trevally, Queenfish, Finger Mark and Coral Trout. Anglers who want to take a portion of their catch home when they leave can utilise the latest Cryovac packaging system onboard *Blue Martini*. At the end of the day, guests can also take their most prized catches to the *Blue Martini* chef to cook up in five-star style. The mud crabs are abundant and the chef has some special recipes for these super-fresh crustaceans that have to be tasted to be believed.
